ABOUT KATHLEEN

As an award-winning sales leader with 20+ years of experience, Kathleen knows what works in creating an organization of inspired, engaged, and motivated sales professionals.

With a magnetic nature, sales teams easily connect with Kathleen because her personal experiences and struggles resonate authentically with them. She is a Certified Mindset Coach who understands the driving force behind productivity and achieving results.

As an Amazon Best-Selling Author, Kathleen has turned the proven concepts from her book into an interactive workshop that creates happiness in the workplace. Happiness is the first domino in driving results. It all starts there.

WHY YOUR TEAM NEEDS THIS

Research shows that motivation is at an all-time low (4Q22). At this crucial moment, the most important thing that a leader can do is offer their employees tools and techniques that will help create a culture of happiness and productivity, leading to improved performance and increased revenue.
